\$10,778.40 is how much we earned for our school!

The top sellers for middle school were Tyler Kreis and Shelbi Winn

The over all top seller was Isaiah Redmon with \$508 worth of cookie dough.

The office also wanted everyone to know:

**Please be sure to turn in all your money. No prizes will be drawn until everyone has paid. Thank you!**

### **A-MAZING:**

This is a unique group, in that it exposes young ladies to various skills that will help them deal with the frustrations and pressures of adolescence. Specific topics we plan to address include self awareness, effective communication, decision making, peer pressure, alcohol/drug issues and other conflicts that today’s teens face. Basically, it is designed to build self confidence and a good self image.

### **EXPLORE AND PLAN TESTS:**

Explore and Plan tests help 8<sup>th</sup> and 10<sup>th</sup> graders build high school course plans that will prepare them for college, work, and also introduces them to career options that are also composed for each student. It shows the students areas where they need extra help or additional courses, suggestions for improving their skills, and careers that match their interests.

### **SUNBRIGHT VS. O.S. HIGH SCHOOL FOOTBALL GAME:**

This game was a great win. Sunbright got off to a great start and held on to a 35-6 lead at the half. Much of this success can be contributed to the defense. After a momentum change in the 3<sup>rd</sup> and 4<sup>th</sup> quarter, many of the people in the stands left. This allowed Oliver Springs to tie and eventually overcome the Tigers lead when they went the score went up to 38-35. Unfortunately, the game continued to go in Oliver Spring’s favor until about two minutes were left in the game. The score was 52-42 with 1:47 remaining in the game, with Oliver Springs in the lead. Sunbright got a few turnovers to close the gap to 48-50 with 18.5 seconds and no timeouts left. With 3.9 seconds left, the kicking team came onto the field and saw what might be labeled “one of the greatest comebacks in

school history”; in an overall team effort, the ball was snapped, line blocked, and the hold was excellent! Derek Miller #88 made good on a 16 yard field goal from the right hash mark s time expired. Final score reading 53-52 as fans poured excitedly onto the field!

## **WARTBURG GAME**

Friday, October 29<sup>th</sup>, Sunbright hosted Wartburg for their final game of the season. The Tigers came in with a lot of energy, and enthusiasm. We had too many turnovers, which led to too many scoring opportunities for the Bulldogs. The line had a great night against the Bulldogs though. In the end, we couldn’t achieve victory. The Sunbright Tigers lost to the Wartburg Bulldogs 41 to 21. Congratulations to the Sunbright High School football team for qualifying for the playoffs and will be playing either Copper Basin or Harriman.

## MIDDLE SCHOOL FOOTBALL

The head coach was **Johnny Swint**, assistant coaches were **David Dial** and **Ken Makins**. To start off the season, they had a great game against Wartburg, in which they came out the victors. They had a very good season with an okay record of 6-3. Then to decide who got home field advantage, they lost that game with a 48-8 score so Oliver Springs got home field in the championship ball game. The next time they played a great game against Oliver Springs for the championship game. The team says they won that game for their teammate, Ethan Northrup, who had just lost his dad and couldn't be at the game. So congratulations to the SMS tigers for their season and big trophy!

## HOLLIS EBLE TOURNAMENT:

This tournament holds a lot of tradition. This year was the 18 annual Hollis Eble Tournament. There were many good teams and it was very competitive. The tournament hosts an effective officiating crew that has done an outstanding job. In addition, the Oakdale staff puts on a great hospitality room for the teams' coaches. This tournament has proven itself to be a great attraction. Unfortunately, the SMS lady tigers got put out during the second round of play. With a disappointing loss to York in the first round, the lady tigers came up just a little short on the scoreboard in the second round against Oakdale. They were without one of their key players, Andrea Morgan, who went down in the first quarter of the first round. Also, 3 players were out for other reasons. Meanwhile, the other members of the team had to step up. They did very well under the pressure, but

still came up short on the scoreboard. The girls and boys consolation and championship games will be held at Oakdale this Saturday, Oct. 30.

## **WORD ON HEALTH**

**Mrs. Lynita Loyd** thinks that getting plenty of rest can help very much with school and other activities. She would like to see Television, videogames, phones, etc. only able to be used for short periods a day, so that kids can be kids again. She thinks that kids should wash their hands better and much more, before eating, and after using the restroom. The flu season is coming up, so you need to be careful. If you are running a fever, vomiting, or experiencing any other symptoms, you need to stay out of school until you have been symptom free for at least 24 hours. The school needs to be aware of the vision, hearing, BMI, scoliosis, and blood pressure checks for grades K, 2<sup>nd</sup>, 4<sup>th</sup>, 6<sup>th</sup>, 8<sup>th</sup>, and 10<sup>th</sup> will be held on Nov. 15 and 16.
